

Physical Education

As a school we take great pride in the achievements we make during PE lessons and beyond the school day. Many of our children 'love' to express their talents and skills during PE and are always striving to achieve further.

Our Curriculum

Throughout the school academic year, all pupils will follow a broad Physical Education Curriculum and will cover a range of different sports and activities. Our curriculum helps to build pupils confidence, teamwork and communication skills: 'achieving whilst having fun.' At Chesterton we find having such a broad curriculum brings out many talents in individuals that they never thought they had.

School Games

During our academic school year, we join into a Staffordshire School Games programme where pupils get the opportunity to represent the school in sport related competitions during/after school. We believe that this gives pupils the opportunity to express their talents whilst getting competitive. Each year we push to join in more competitions and events to enable as many pupils to join in as possible. Chesterton have achieved the Silver School Games Mark.

Collective Vision Trust

Chesterton Primary are part of a multi-academy trust who strongly support the staff, pupils and parents they provide for. The trust also offers a strong support when it comes to Physical Education. The trust currently provides for three primary schools and a high school. As PE leads, we personally believe that 'sharing is caring' - we support each other to ensure quality physical education is being taught in every lesson. The trust also provides extra space for PE lessons and also supports Chesterton and the other schools with equipment. Chesterton and many other schools purchase swimming from the local high school.

PE Staff

At Chesterton we have a fixed PE lead who is passionate about providing a quality service to each and every pupil, helping to bring out many talents. Our PE lead also takes every PE lesson from year 1-6 and is enthusiastic in achieving pupils through their time at Chesterton. As a school we ensure each pupil is receiving the minimum of 2 hours of Physical education each week. Every lesson is supported by a Teaching assistant.
