

Geography Vision Map

Year 1 – UK countries and coasts

Crucial Knowledge

- We live in a country called England. This is the flag of England.

- Scotland and Wales are countries next to England (the land joins each other).
- Northern Ireland is a country near to England (over a bit of sea water).
- There are four countries in the U.K. (United Kingdom).
- England, Scotland, Wales and Northern Ireland are all part of a group called The United Kingdom (UK).
- The UK is surrounded by water.
- The edges of land which touch the sea are called a coast.
- This is the flag of the United Kingdom.
